Make yourself proud!

From the Art Department

Fourth and fifth grade students took part in a county wide art contest last month. They needed to write an essay to accompany their artwork. The theme was "My ticket to tomorrow". Four of our students were selected to have their creations displayed in the Morean art center in St. Petersburg. The students are Brandon Middaugh, Madi Sonnenberg, Jimmy Looker, and Jenifer Jimenez. There will be a reception at the Morean Art center on March 5 from 1-4 pm for their families.

In addition, four more students were selected to have their art and essay displayed at the Suncoast Hospice of Clearwater. These students are Tanner Kublick, Riley Parker, Carol Valdez, and Lizbet Casillo. There will be a reception for these students and their families on March 22 from 5-8 pm.

Congratulations to students for making it into the two art shows. We hope you can be at the reception as there will be awards and certificates given out.

KIWANIS STUDENTS OF THE MONTH

I am extremely honored to select Sarah Billiris as the Kiwanis Student of the Month. As her music teacher, I have had the privilege of watching Sarah from her Kindergarten year to 5th grade. I have been very lucky to see her grow up and become a lovely young lady!

Sarah is a very kind and friendly student. She enjoys each day and I never see her without a smile on her face. She is always willing to help teachers and other students out whenever they might ask, or even if she sees a need.

Sarah is very involved in the music program here at Safety Harbor. She has been a member of the 4th and 5th grade Chorus as well as the special instrumental group that required her to be at school at 7:30 a.m., both of those years. At our performances this year, she had a solo, and when another student was unable to make the performance, Sarah filled in to sing their solo at the very last minute! I know I can always count on her to sing beautifully and be an integral part of what we do here in music.

That is why I am so proud to have chosen Sarah as the Kiwanis Student of the Month.

Mrs. Carstensen

I have selected Brandon Middaugh as the Kiwanis student of the month.

As the art teacher, I try to select a student who is very talented in visual arts along with being a great student who is highly motivated, friendly to others, and very helpful. Brandon has all these qualities, and more.

Brandon always impresses me with his creative ideas and beautiful art. He stays focused on his work and even creates artwork on his own from home.

He is very talented, and I hope he will continue to study art in his future.

He volunteers his time in the morning to help me and Mrs. C with whatever we need. He always has a positive attitude and a smile on his face.

I appreciate Brandon for his dedication to his work, his helpfulness and his great, positive attitude.

Head Lice! 'Tis the season!

Always unwelcome visitors in our schools

Lice aren't dangerous and they **don't spread disease**, but they are contagious and can just be **downright annoying**. And there always seem to be an increase in head lice during the **winter months**. Their bites may cause a child's scalp to become itchy and inflamed, and persistent scratching may lead to skin irritation. Though very small, lice can be seen by the naked eye. Please take time to check your child for this pesky critter.

2010-2011 Yearbook Orders

Our yearbook sales have been off to a slow start! Please remember to get your yearbook order in ASAP. The yearbook looks fantastic. We have a lot of SNAPS pictures in the book and it is a great memory for everyone to have.

We have extended the yearbook orders until March 11.
